Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.
(Newton Runolfsson)

EREWHON (PAPERBACK)**DOWNLOAD**

Dover Publications Inc., United States, 2002. Paperback. Condition: New. New edition. Language: English. Brand new Book. In a faraway land, a traveler encounters a peculiar, topsy-turvy society in which sickness is a punishable crime and crime is an illness for which criminals receive compassionate medical treatment. The English church is ridiculed as a "musical bank," which deals with a currency nobody believes in but which everyone pretends to value. University instructors teach courses on how to take a long time to say nothing, and machines are banned for fear they will evolve and be the masters of man. First published in 1872, Erewhon (an anagram for "nowhere") is perhaps the most brilliant example of Utopian novels, taking aim at the humbug, hypocrisy, and absurdities surrounding such hallowed institutions as family, church, mechanical progress, advances in scientific theory, and legal systems. Intelligent, inventive, and wickedly humorous, the classic novel protests the blind acceptance of ideas and attitudes, an aspect of Samuel Butler's work that made his fiction enduring, entertaining, and thought-provoking. His remarkable prescience in anticipating future sociological trends adds a special relevance for today's readers.
